

Still Finding Gold In El Dorado County

The El Dorado County Chamber of Commerce is seeking raffle prize donations for its annual Golf Tournament.

This is an excellent opportunity to give additional visibility to your business. Even if your business doesn't offer goods or services that would be appropriate for a raffle prize, consider patronizing one of your favorite merchants and donate a gift you've handpicked and put your business card on it. Gift baskets, gift certificates, experiences, art, gourmet food and beverages – all would be welcome. All donors will be verbally recognized for their contributions during the raffle.

The EDC County Chamber of Commerce is a 501(c)(6) non-profit corporation, tax ID # 94-1328508. The annual charity golf tournament is one of the few fundraisers we host to help continue our mission to advocate and promote a strong, healthy, and diverse business community to preserve the quality of life in El Dorado County while supporting a local charity.

Thanks in advance for your consideration!

Donation Receipt

Donor Name: _____

Business Name: _____

Address: _____

Donation Description: _____

_____ Value: \$ _____

Please keep this page as your receipt and return the second page with your donation.

Thank you for helping support this event!
